To one of the girls who make our P.E. class worth going to. You're a real sweet girl with a wonderful personality. Don't ever change. Good luck throughout your future years, and May God Bless & Keep you.

HOME OF THE BEARCATS

Sucess is many things at R.D.H.S. It is winning the big game or it is failing to pass a test that took all night to study for. It doesn't have to be being the best or being the most popular although that may be the lighter side. Success is trying your best even though sometimes it isn't good enough. We like to think we've succeeded when we've reached our goals. In a way we have, but if the goals were obtained by cheating or accusing or doing something wrong, it really isn't success. We hope to make Ray High the best school in the state. We can do this by good sportsmanship and outstanding performances and proving that we deserve the title the "BEST". We are well on our way to success, but remember we must always do our best to be at our best. So "GO GET, EM BEARCATS!"

SUCCESS IS...

FILLING A WASTEPAPER BASKET.

GETTING A GOOD SHINE.

BEING A LITTLE DRUMMER BOY.

WORKING HARD TO GET THE ONLY CLASS "A" DIVISION "SUPERIOR RATING" AT BAND DAY!!!

HAVING TWO PRETTY FLOWERS.

BEING POPULAR WITH THE GIRLS.

BEING STATE VOLLEYBALL CHAMPS.

Various ideas were tried throughout the year. Student of the week and Teacher Feature were two examples of new features used.

Giving much needed help and advice to the Bearcat staff was the Copper Basin News genera manager and editor Jimmy Woods. He added to our year's success.

The staff's final project will be to complete the senior edition in May.

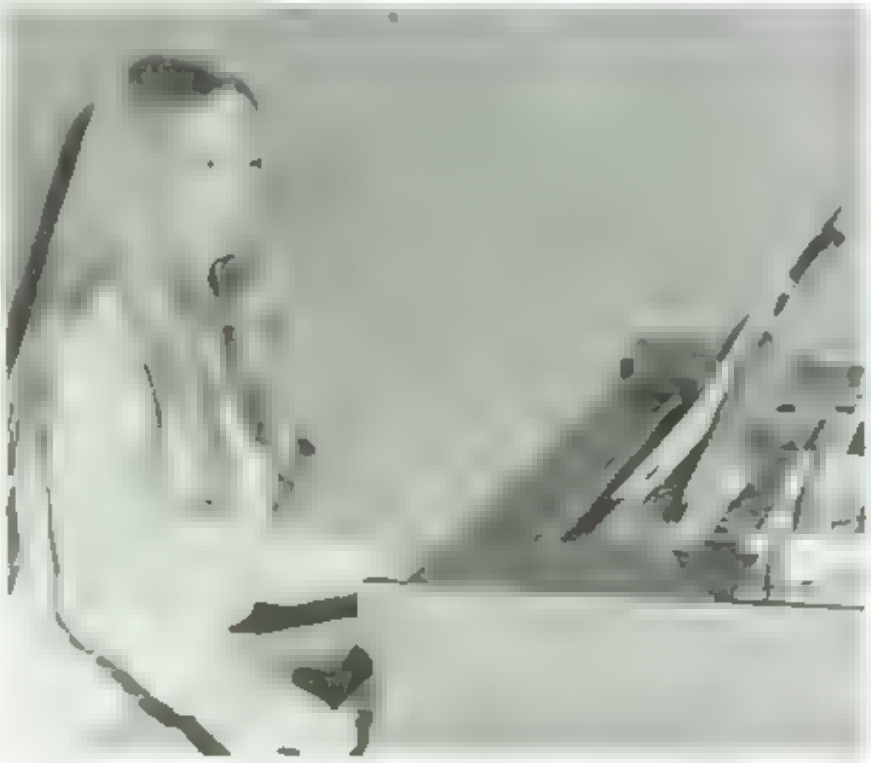
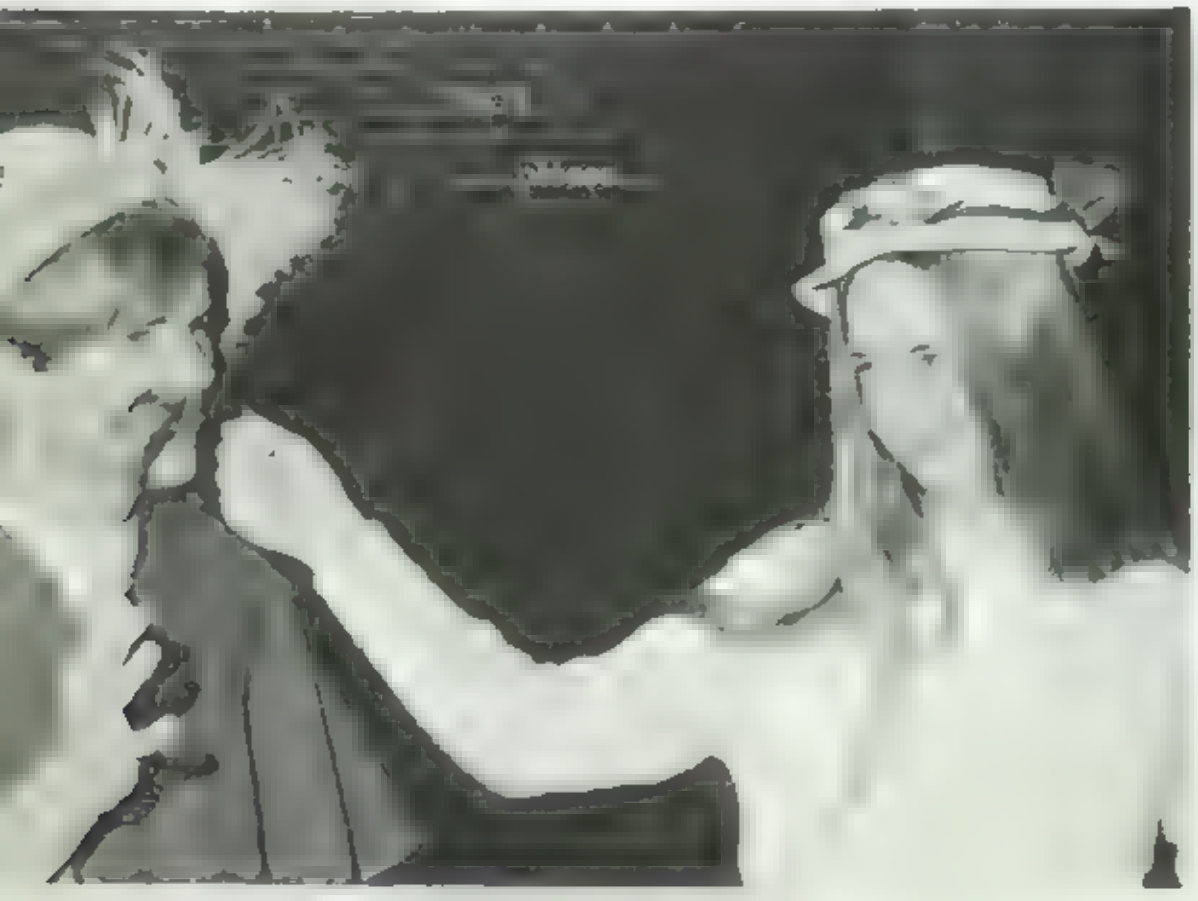
MUSICAL SCHOOL



In attendance at every rehearsal was Jennifer Johnson.

Senorita Valdey, played by Norma Gusman, is conferring with the mysterious Senor Pimpernel.



SENIOR PIMPERNEL

The school musical, entitled "Senor Pimpernel", was a Lancer Production, a company from which other plays have been obtained by the school. The play started production on the first of February and ended on March 18 and 19 when the play was performed for the public.

A lot of time was put into the production. A period of six weeks was used to get the play ready for an audience. Normally, a musical comedy like the one done would take seven weeks, but Mr. Garrett thought that the sixty-four people involved would work harder if they had a shorter time in which to perfect it.

"Senor Pimpernel", a musical comedy, ran parallel to the old story of "The Scarlet Pimpernel." The time was the present, and the setting was Costa Rosa, a country in Latin America. The story was about a British consul and his son who moved to Costa Rosa from England. The son, Andy, took up the fight of helping the Costa Rosans free themselves from el Presidente. Andy, played by Drew Mansager, did not tell his father, Allen Williams, that he had taken up the fight against el Presidente, Don Baca. Brenda Henderson played the female lead.

But befor I go I want to wish a pretty girl with a great personality and a good fig. everything this world has to offer. until this year, there was a part of you that I didn't know, a very sensitive part, and I want to thank you for letting me be a part of that. Good Luck in college & thereafter & I hope that you won't forget me too soon cause I'm sure I'll always remember you. (The girl who taught me what love was all about.) Maybe you don't think that you did. <u>But you did.</u> Thanks for your friendship & after we go our separate ways I hope that our paths will cross again in a few years & maybe then, if we both have done what we wanted to do, we'll discover what we come so close to having.

Good Luck again. & I know that God will always be with you, cause you're something special to me & you always will be. So long for now, I'm not going to say goodbye though.

From someone to whom you are very dear.
